

LIFE GROUP GUIDANCE

Please choose a couple of the questions below as an introduction to your gathering...

What are you thankful for this week? What has been difficult? What are the needs in our community? How can we help? Have you followed what God showed you last week? Have you shared with someone else? How did it go?

Then invite someone to read this week's passage, and as a group, explain it in your own words.

01 — What did you learn?

What did I discover about God and His character in this passage?

02 — The people in the Scriptures

What did I discover about the people in this passage? Is there anything that stands out about what they said, and what they did?

03 — Our response

What will you do in response to what you've learned in this passage?

04 — Sharing the gospel

Who will you share your learnings - and the gospel - with this week?

Now let's pray for each other: for how we can live out the lessons from this passage, for anything on our hearts and minds, and for our community.
