

WONDERFUL PART 2

I ask myself and I ask all of us, do you need strength in your life? Do you need a hero to deliver you? Do you need a warrior either to help you win your battles or sometimes to win them for you? I do. Jesus is, if it doesn't sound too sexist, your man. Mighty God.

Mighty in what way?

Mighty in creation. He created everything.

Mighty in coming as a baby and then a man, showing by his life what is possible for a human being fully yielded to the will of the Father and empowered by the Holy Spirit.

Mighty in giving his life up to death on a cross that we might be forgiven and saved and live for

Mighty on that resurrection morning, showing death is not the end of the story, death has been defeated.

Mighty in his ascension back to his Father's right hand.

Mighty in the future. 'Look, he is coming with the clouds and every eye shall see him.' What is our response? To trust Him, Love Him and Serve Him.

01 — Advent 2nd Sunday

Advent is a time of reflection, how does the term 'Mighty God' help you as you prepare for Christmas?

02 — Wonderful

God orchestrated Mary and Joseph to be at the right place at the right time through working through the current Caesar to call a census. In what ways has Jesus been 'wonderful' in orchestrating things, situations or experiences in your life?

03 — Mighty God

Jesus is named 'Mighty God', theologians have said that Jesus is fully God and fully man. In His earthy ministry, he was healing, walking on water etc... was he doing that because he was God? Did He ever have a cold, or an upset tummy?

04 — Practising what (Andy) preaches

Our response is to trust Him, love Him and serve Him? Andy encourages us to remove the brackets (restrictions) from our every day grind. How are we going to trust Him, love Him and serve Him this week? What practical ways can we do that?
