Mission Re-imagined

LOVE
JESUS
CHURCH
OTHERS

LOCKINGCASTLECHURCH

Whole life discipleship

LOVING: is what we do (up,in,out) active choice to love, (it is the nutrients for growing a healthy church.)

GROWING: is the healthy outcome of the discipleship process (Healthy churches grow and produce good fruit.)

SHARING: is the 'how' we do it, which shape our services, projects, events and front line opportunities.

How do people start attending church?
